POSITION SUMMARY:

As per the job description of – Community Outreach Worker (COW).

The Community Outreach Worker (COW) will be working 1-1 with individuals focusing on promoting skill development and providing outreach services through the individual support of people out in the community. The COW will provide support to individuals for tasks such as: using public transportation, financial management, general household management, relationship building, community connections and supporting the development of ongoing supports. The COW may be reassigned to work in other programs, for which they are qualified, as needed.

QUALIFICATIONS:

- Diploma in Human Services or Community Support Worker or equivalent
- Class 5 Drivers License and required to use own vehicle
- Community Care First Aid/CPR/NVCI, Food Safe Certificate
- Maintain Vulnerable Sector Criminal Record Check Clearance throughout employment
- Focus on promoting skill development and providing outreach services through individual support of people in the community for tasks such as using public transportation, financial management, general household management, relationship building, community connections and supporting the development of ongoing supports.
- Knowledge and experience in the facilitation of the Person Centered Planning Process, positive behavioral support techniques, and skills based training
- Knowledge and ability to use augmentative communication, strong oral and written communication skills. Ability to interact effectively with individuals and families
- Experience assisting people with support needs related to developmental disabilities and/or adaptive functioning
- Must be available to work a flexible schedule, including evenings and weekends
- Requires BCGEU union membership

Please submit resumes to: Andrea Mohr at hr@kinsight.org by 4:30 PM of the closure date listed above.
