

Kinsight Strategic Plan 2023-28

At-a-Glance

Cultivating Capacity	Fostering Leadership	Strengthening Core Services	Engaging Community
We have the knowledge, tools, systems, opportunities and supports to maximize the impact of our work	Families, Youth, and Adults have strengthened agency through opportunities to shape their services & supports	People have consistent, flexible, holistic, integrated, and individualized services & supports	Community members are engaged in actions and activities that advance our mission and vision

Our Approach

Reinforce Our Foundation	Ensure identified gaps are addressed through infrastructure and aligned resources.
Leverage Our Strengths	Maximize opportunities for cross department collaboration, utilize existing strengths and attract people that are committed to our vision.
Further Our Partnerships	Build on existing relationships, seek new collaborators and share our experiences.
Measure Results	Define outcomes, measure success and identify new opportunities.

Areas of Focus: Years One and Two

Year One	Back to Basics – focusing on supports and tools for staff to deliver consistent, efficient and effective services.
Year Two	Celebrating our 70th – honouring our roots, reinforcing our values and celebrating diversity.
